## STAVELEY WITH INGS PARISH COUNCIL - LATEST NEWS

<http://www.staveleywithingspc.co.uk/> Email: [staveleyings.parish@gmail.com](mailto:staveleyings.parish@gmail.com)

**New councillors needed:** Staveley with Ings Parish Council are looking for new Councillors. We have 3 vacancies due to the recent resignation of Peter Harrison, a long standing member. Are you interested in helping this very active, caring community? Please contact the Parish Clerk by email, post or telephone if you are for more detail or speak to a current Councillor. Parish Clerk: June Lee, 31 Wattsfield Road, Kendal LA9 5JN Tel. 01539 729382.

**Lakes Line Community Rail Partnership:** The Council remains an active member of this group which brings together community representatives, county-wide organisations and rail operatives on a quarterly basis under the umbrella of Community Rail Cumbria. This continues to be a difficult period for rail operator Northern. Usage is variable and not yet back to pre-pandemic levels. Reliability continues to be an issue, in part caused by staff shortages, and some working practices remain a subject of dispute. The inconsistent collection of fares at peak times continues to be a serious, unresolved issue which further distorts footfall figures. Looking ahead, the County Council has provided funds to develop the business case for a passing loop, located at Burneside, which will enable a more frequent service. Planning continues on a new transport hub at Windermere and Staveley's platform is to be extended to accommodate longer trains. Unfortunately, and unsatisfactorily, many are still unable to access the station and there remains no sign that this will change.

### Lake District Sheepdog Trials -Thursday, 4th August 10:00

Hill Farm, Ings, LA8 9QQ

Adults £5, Children free, Parking free on site

Stalls, dog show, hound trails, bar, refreshment marquee

The Lake District Sheepdog trials are held at Hill Farm, Ings by kind permission of the Buckley family in a field just off the Moor Howe Road. The day starts at 10am with the Trials which run all day. Also on the day are 3 hound trails, running at 1pm, 2.15pm and 2.45pm, setting off from the Trials field and going out across the fields and up out of sight towards Kentmere, swinging left-handed towards Windermere and then coming back to the field for a noisy and exciting finish. Bets on which hound will win can be placed on the field.

Starting at 1pm there is an open dog show for sheep dogs, other breeds class and one for puppies. There is also a pet class so if any villagers wish to come for a day out and bring their pets, all are welcome to enter. These classes are followed by a Terrier show. We have trade stands, a bar, ice cream van and food available all day.

The Trial is an Open event so anyone can enter with any trained sheep dog irrespective of whether it has won a trial before or it is its first time. There are special prizes for the best Novice dog and best local entrant. The youngest competitor wins a new dog collar and there are special trophies for the best outrun failing to pen and kindest competitor. The Trial is very kindly sponsored by The Watermill Inn, Ings who also very kindly run the bar on the field. Contact the Secretary 07769871819 for further details.

#### UPDATE FROM ST ANNE'S CHURCH

Three fundraising concerts in 2022 have raised nearly £4000 for DEC Ukraine and £400 for Henry Dancer Days children's Cancer Charity. None of this money has benefited the Church and its upkeep. The Church has been delighted to support these activities by providing space and heating at no charge to the charities involved.

Income from concerts and events which specifically state that they support the upkeep of Church fabric are retained for that purpose and do not benefit directly the religious activities of the Church or Diocese. This is a community building which we are at pains to protect. Please support it by booking it for your activities and attending events. We would welcome your comments, ideas, etc.
