WHAT'S ON

Christmas Craft Fayre - Sat 26th Nov - Village Hall and Church

A dreich early winter day didn't deter stall-holders and visitors from attending the 2nd Annual Ings Craft Fayre. Grateful thanks are due to the organisers led by Pippa Colman and the team of helpers who assembled/disassembled, ran the all-day cafe for soup, teas, coffees and mince pies, who brought a day of festive cheer to the village.

A Warm Space in Ings - Sundays: 12 noon - 1pm

Challenged by the cost of heating, the nationwide *Warm Spaces* initiative seeks to promote warm, welcoming spaces for people to visit this winter if they need it. *Warm Spaces* are being run by a range of different organisations including churches, village halls, local councils and libraries. Ings Village Hall now offers such a *Warm Space* for an hour at midday every Sunday. All are welcome at no charge for tea/coffee and biscuits. Depending on 'take-up' and the availability of volunteers to run the warm space the Hall is very willing to extend the time and the provision, for example to include soup/bread. Please contact ingsvillage@gmail.com if you're willing to help.

Christingle Service - The Children's Society

The Christingle Service on Christmas Eve is in aid of the Children's Society who help young people facing abuse, exploitation and neglect. This year's boxes are due in and new ones can be collected from Lindy Priestley at 3, Church View.

How does a snowman get around? He rides an icicle.
Why do bees stay in the hive during winter? 'Swarm.'
What's cold, white and minty? A polo bear.

STAVELEY WITH INGS PARISH COUNCIL - LATEST NEWS

<http://www.staveleywithingspc.co.uk/> Email: staveleyings.parish@gmail.com

Unauthorised signage: We have thanked Richard Leaf (Chief Executive LDNPA) for getting his contractors to remove unauthorised signage from Ings as promised.

Application to LDNPA to divert a section of footpath away from the riverside in Ings: There was a site meeting to discuss the short section of footpath between the A591 and the church in Ings. It was concluded that the problem was caused when the A591 was built across the footpath route, causing villagers to stop using the footpath to walk to Church. The outcome is still pending.

Blocked drains: There has been a request to Cumbria Highways to clean out the Drains in both Staveley and Ings that are blocked as this adds to the flooding problem; the reference confirmation is EI/96809

Dogs in playground: There has been a complaint about dogs in Ings Village playground, this will be monitored in the future.

Warm space in Staveley and Ings: This was discussed at the Parish Council meeting and is now up and running in Staveley. Current provision can be found on this link, <https://cumbria.gov.uk/warmspots> Local businesses have contributed and a grant has been received from Cumbria Community Foundation to support the initiative. For more details visit the web site or contact the Parish Clerk at the above address.

Emergency Plan: There was an open meeting to recruit volunteers willing to help in the event of an emergency in the village. Any who consider themselves vulnerable will be given priority assistance by the Emergency Volunteer Responders. If you wish to help in any way in the event of an emergency or need any help you can find all of the relevant numbers on Parish council web site under: Policies and Documents- Emergency Planning.

Cllr Paul Riley
